## There Are So Many Practical and Useful Remembrances on Our Tables

That it is little wonder our store was thronged all last week and doubtless will be more so this week. This is a MAN'S and BOY'S STORE and the proper place to buy men's and boys' gifts. We will just mention a few things that you must come quickly to secure:

### WHERE INNOCENCE WAS BLISS

Albert Dare of Rowan county, arrested Wednesday night for passing a \$20 Confederate bill at Burk's saloon, established his innocence in Police Court yesterday of having wilful intent of committing a fraud. It appears he received the bill through a horse trade and was ignorant of the spuriousness of its character. He was dismissed by Chief of Police Ort on advice of Judge Whitaker, with an admonition and warning that in future he be more careful, and that he desist in dallying with the wine when it is red in the glass. With tears in his eyes, he said: "Chief, this has been a warning to me, and I promise you that henceforth I will taste not nor touch set, the vile stuff that biteth like a serpent and stingeth like an adder," or words to that effect. The mild-mannered Chief smiled a smile as he ordered one of his men to return the possessions of the man, prominent among which were two bottles of the pure goods. It is a cinch, if Dare is caught in the net again for imbibing over freely here, there is two months' service on the rock pile awaiting him.

Finally, don't forget our beautiful Framed Pictures for Christmas. Over 200 on display. Call and see.

J. T. KACKLEY & CO.

The readers of this paper will be pleased to learn that there is at least one remedial disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

## DONOVAN,

Opposite L. and N. Depot. Phone 473.

THE gratifying news from New York is that "HENRY CLEWS is optimistic." HENRY with his \$10,000,000 wad ought to be cheerful all the time.

JOHN D. ROCKEFELLER and ANDREW CARNEGIE would not enjoy Christmas if they didn't relieve themselves of a few dozen millions at least once a year.

THE only way for the Carnegie and Rockefeller money to hold out is to make it a long while between gifts of \$10,000,000. No man is rich enough to stand the drain of ten million-dollar gifts every few days.

It is now said that CHAMP CLARK's Democratic House of Representatives will take the Tariff off of all Trust-made goods. Of course by taking the Tariff off of hundreds of millions of dollars worth of Trust manufacture, a thousand big American mills would stop running. But what of it? Don't we want to further demonstrate the fallacy of Democratic Free Trade?

### TRUTH CROPS OUT

WHY PILE SUFFERERS SO OFTEN FAIL TO GET RELIEF

Science is getting to the bottom of everything, including the cause and cure of piles. The brightest doctors now admit that piles are caused internally and can be cured only by internal treatment. Dr. J. S. Leonhardt some time ago perfected a remedy in tablet form—Hem-Roid, which cures the cause of piles, and therefore cures permanently. It is sold by J. James Wood & Son, Maysville, Ky., under money back guarantee. \$1 for 24 days' treatment. Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

Mr. Frances Leo Devine, son of Mr. and Mrs. Frank Devine of Market street, arrived last night for a short holiday vacation with his parents. ### BURIAL AT CYNTHIANA

The body of Mr. Thornton Ammerman, whose sudden death yesterday morning at his home in the Hill House was detailed in Thursday's LEDGER, was taken to Paris on the morning train and will be taken to the residence of his parents, Mr. and Mrs. Joseph A. Ammerman, near Jacksonville, where the funeral will be held tomorrow morning at 11 o'clock. Rev. B. F. Chatham of the First M. E. Church, South, this city will conduct the service and the burial will be in Battle Grove Cemetery at Cynthiana. The remains were accompanied by the bereaved widow, Mrs. Pearl Mae Ammerman, and her father, Mr. Pearl Blythe of West Second street, and Mr. Charles Hubbard.

## Free Remedy Helps Children

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

This Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is simply not dynamic like salts, pills and powerful cathartics, which should not be given to children anyway.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again—over night wonderful results have been secured with Syrup Pepsin.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him: Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is indorsed by people in this locality.

Mrs. Rita Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

"ON TO CAIRO!"

The 9-Foot Stage in the Ohio River Now Assured in Next Ten Years

Dam No. 33 Finally Located Just Above Maysville—Will Cost a Million and a Half

Gigantic Scheme Made Certain Through Years of Earnest Work of Rivermen

The Government Engineers in charge of the preliminary and final surveys for the 9-foot stage of water in the Ohio river from Pittsburgh to Cairo, nearly 1,000 miles, now in winter quarters on the Maysville levee, snugly harbored behind the three immense cement ice piers, have practically finished the final drilling and surveys in the Ohio river at this point and have located "Dam No. 33" about three miles above the Maysville wharf at the foot of Market street.

The flotilla moored below the ice piers presents an imposing river spectacle, and the quarters are handsomely fitted up and quite snug for the sixty people employed when the weather permits. Junior Engineer Frank I. Loukes is in charge, who kindly gave THE LEDGER information in regard to the surveys, drilling, etc.

The boats are equipped with modern machinery for drilling in rocks, etc., to locate foundations for the locks and Dams. Mr. Loukes says operations are ended for the winter and that his crew will finish their work for the location of the Maysville Dam site in less than a week as soon as spring opens. Over forty of the men have been furloughed for the winter.

COST OF THE DAMS TABULATED.

Below are given the location and estimated cost of the fifty-four Dams needed to canalize the Ohio river. The small cost given for a number of the Dams indicates that they are now under construction and that the sum mentioned will be needed to complete the work. The list is as follows:

The changes in the plans of Ohio river improvement from the proposed 6-foot stage to the 9-foot stage made necessary the re-location of all the Dams not contracted for or begun.

For instance, Dam No. 33, under the 6-foot stage, was located near Manchester, but under the 9-foot survey it is finally and definitely located a mile above the corporate limits of Maysville and nearly opposite Brooks' Bar, and 404 miles below Pittsburgh.

Dam No. 34, located at Dover under the 6-foot stage, will be built at Wellsburg, Ky., eleven miles below Dover.

This vast scheme of river improvement, which will cost, including past and future expenditures, nearly \$100,000,000, and make slack water navigation of a thousand miles of the busiest waterway in the world, is the united result of sixteen earnest years' work of hundreds of energetic rivermen. The scheme was conceived in 1894 in a Cincinnati boat store among a gathering of rivermen. These

B. G. Early, Fleming county, average \$14.66; C. B. Cook, Lewis county, average \$13.22; George Kelly, Mason county, average \$10.
